Over/Unders (Totals)

In addition to setting a line for the favorite and the underdog, oddsmakers will

also set a total number of points scored in a game by both teams combined.

Eagles-Lions has a total of 46 - about average for an NFL game.

The spread is -8, so to win your bet, you need Indy to win by 9+ points.

5 for the underdog, the juice will differ depending on the gap in ability between

the two teams.

As a result, one book may post the Cavs -8 while another has -7.

The variety also goes for signup and promotional offers, which tend to vary from

site to site, but are nonetheless available for a big game like the Super Bowl.

Props are extremely popular wagers for anyone looking for options other than the

standard moneyline, spread, and total.

These bets are in vogue all season long but especially during standalone games,

and there's none of its kind like the Super Bowl.

Novelty props are entirely a creation of the Super Bowl and include markets that

aren't otherwise available throughout the season.

Certain elements will lead to skyrocketing odds while taking the safer route for

a modest line is also an option. Live betting

People who don't wager want a little something on the action, and regular bettors

are making extra bets and spending a bit more on the occasion.
